NOTE:

* During heavy snowfalls, the Road Department, at the discretion of management, shall start employees at 5:00 AM to facilitate snow removal on school bus routes.

* Safety is of paramount importance. Operators shall use caution while plowing snow and will never jeopardize their own, or the public's safety.

* Operators shall not be required to operate more than 16 consecutive hours.

* Operators shall check equipment often for wear and maintenance.

* Contact with the Road Department is essential.

* During Snow Removal efforts, each operator will contact the Road Department every two (2) hours.
